Our August speaker will be Natalie Larsen, sharing her experience in Hong Kong.

Ladies, please join us!

After a devotional challenge time where all meet together, everyone breaks up into prayer groups to pray for those missionaries in Africa or Asia, for example. Then after prayer time the ladies enjoy refreshments.

Ladies for Missions is open to all of our church ladies and you are encouraged to come as often as is workable for your schedule. It is not a members-only group and there are no attendance commitments or requirements.
